29 This bill eliminates the ability of an applicant for a
30 liquor control license, wine permit, or beer permit to appeal
31 the denial of the license or permit by the applicable local
32 authority to the administrator of the alcoholic beverages
33 division of the department of commerce. Instead, the bill
34 provides that an applicant may seek judicial review of the
35 denial of the license or permit by filing an action in the

H.F. 10

1 district court of the county where the premises covered by the
2 application is located.
